

TERM 2 NEWSLETTER

A very warm welcome to our new families and it's great to see familiar faces back in the gym!

We are seeing tremendous growth and have introduced Adult Classes for 2018. We encourage you to re-enrol as promptly as possible when emailed that the next term is open, to avoid disappointment, if you have a preferred day or time. Did you know we have over 550 athletes enrolled for term2?

During Term 1 we were successful in receiving \$5k from Grassroots Trust towards coaches and judges education. This ensures that all our coaches are following the Gymnastics New Zealand Education Pathway.

Term 2 we begin the 2018 gymnastics competitive season and host a regional New Zealand Gymnastics Championships Qualifying Competition. The next few months will require tremendous efforts from our athletes and also our parents and volunteers.

Thank you in advance to our Judges for this season who volunteer their time and travel to support the ARGOS Gymsport athletes.

This is the time of year where we witness the true meaning of being a club member and thank you in advance for showing your support either financially by sponsoring our annual events or with your time given to volunteer.

Staff movements have had us say good bye to Isabelle Vosse in the office, Michelle Viviers from Preschool/WAG and Simon Terry from MAG. A warm welcome to Emma McCarthy our new office administrator and Janelle Burnside taking on Preschool classes during the day and continuing with WAG coaching in the afternoon/evening.

The AGM welcomed new committee members. Shannon Hannah - Secretary and Fiona Moraes. If you have any questions or feedback for the committee please email secretary@argosgymsport.co.nz

Our Survey conducted in March gained responses from 188 of our 530 registered members in Term1. Congratulations to Sarah Morris for winning the \$100 petrol vouchers.

You will have noticed the instillation of cameras in the gym. These are to assist with Health & Safety and manage 3rd parties who hire the facility.
